# LOVE, NURTURE AND EDUCATE

Your child will be happy in their Little Kingdom

## Our values

Your child will receive the highest quality care and education at Little Kingdom Childcare. Our aim is to become a part of your extended family – enabling you to entrust the care of your children to people who will love, nurture and educate them. Your child's social and psychological development is our focus and we provide the best in early education. Our values to love, nurture and educate guide us in every decision and action we take.

## Our philosophy

**Your child** is a unique and capable individual who has their own interests, talents, skills and ideas that we nurture and develop.

**Family** is the most important and influential aspect in the lives of young children and the significance of their relationships is our foundation.

**Program** facilitates your child's active participation in our meaningful, integrated, emergent curriculum with EYLF as the framework.

**Educators and staff** are a highly regarded and valued resource in our centre.

**Community** enhances the growth and development of your children, your families, and centre educators and staff.

**Our learning environments** are welcoming spaces which enrich the lives and identities of children and encourage children to learn about their connection to the natural world.

**Make Little Kingdom your kingdom**

## The Rocks

Your child will thrive in an environment where their opinion, autonomy and initiative is valued and respected. Your child's learning is actively promoted through worthwhile and challenging experiences that foster high-level thinking skills as our educators work through the Early Years Learning Framework with them.

Our location in the Sydney CBD means that not only will your child enjoy an iconic Sydney location but transport is easy - Wynyard and Circular Quay are a short walk for access to buses, trains and ferries. By car, the centre is easily accessible with a dedicated drop off and pick up area in the parking station right next door.
