

Reward your staff with the Royal treatment!

Do you know that recent research shows that a lack of high quality childcare options is a major obstacle for women in Australia considering returning to work after having a child?

To overcome this hurdle, increase employee retention rates, and attract new employment talent – elect to offer Little Kingdom corporate childcare packages as part of your organisation's overall employment package.

Knowing that Mum/Dad is nearby, children thrive through our Centre's ethos of love, nurture and educate.

Whilst your organisation enjoys the added value of:

- Improved ability to attract high quality employees
- Higher levels of morale and company loyalty
- Lower staff turnover and higher retention rates
- Better return to work rates after parental leave
- Increased productivity
- Reduced absenteeism and improved attendance
- Enhancement in the broader community of your organisation's reputation as an Employer of Choice.

Boasting the CBD's only natural outdoor play areas for each age group, Little Kingdom Childcare, The Rocks offers high quality early childhood educational programs based on the Early Years Learning Framework and emergent curriculum play based learning; guaranteed to offer your staff's most important focus – their children – the best foundation start to their educational journey!
